Hi [Name],

I am participating in an open water swim for charity on [DATE of swim] in the Swan River in the heart of winter (no wetsuits)

Hope you can support my efforts to raise funds for research into Cystic Fibrosis.

50% of Parents who have children with Cystic Fibrosis lose them before they reach the age of 40. 37 is the AVERAGE life expectancy.

100% of all funds that I and my fellow participants raise go into research to find a cure for this illness.

To support me please click (or copy into your browser) the link below

Many Thanks
